

Year 1 Homework Grid

In Year 1 this half term we are studying Dinosaurs in our topic 'Dinosaur Planet'. We have linked a range of activities to help your child/ren in their learning whilst allowing them chances to explore and deepen their own learning. We ask that adults at home try and do some of the activities with the children and question their choices to provoke enjoyment and curiosity with learning.

Activity 1

Generate a quiz using your knowledge organiser.

Completed :

Activity 2

Create a dinosaur mask or hat and bring it to school for a dinosaur parade!

Completed :

Activity 3

Share stories and poems about dinosaurs with your grown ups. Take on the role of storyteller for any younger members of your family.

Completed :

Challenge 1

Hunt for ferns, yew trees, monkey puzzle trees and other prehistoric plants while you're out and about.

Completed :

Challenge 2

Watch the birds in your garden or local park. Look at them closely. Do you think they walk like dinosaurs?

Completed :

Challenge 3

Create your own dinosaur out of recycled materials from your home.

Completed :

Superstar 1

Work with an adult to make a dinosaur film or show using toys, puppets or models. Evergreen bushes and a rocky or dusty area of your garden or park would make perfect film sets!

Completed :

Superstar 2

Work with a grown up at home to research amazing facts about the age of the dinosaurs. Can you create a non-fiction booklet?

Completed :

Superstar 3

Write your own dinosaur story and bring it to school to share with your friends during story time. Can you include illustrations?

Completed :

How many can you complete this term?
