The weekly news from Chapel St Leonards Primary School

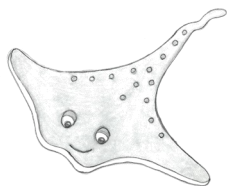

Issue 133

Circulation: 150

Date: Friday 14th January 2022

Dear Parents/Carers,

This week Miss Hanson, myself and Mr Hill (from CIT) took an in depth look at History in the school. We looked at books and talked to the children about their learning. We were mainly focusing on the areas of history the children learnt about last term. When speaking to the children it was brilliant to see how much they knew and could remember and how inspired they were by the learning that has taken place. Whether it is all about Barnes Wallis in the Year 6 World War 2 topic, Guy Fawkes and the plot to bring down the Houses of Parliament in Year 2 or how stone age and iron age tools and weapons were made. The children have clearly been engaged in their learning.

## Lincolnshire Parent Carer Forum

The Lincolnshire Parent Carer Forum is running free workshops and events around positive behaviour. More details can be found on our front noticeboards or on our SEND Padlet (external support). Follow the QR code to take a look.

## Bikes and Scooters

It is great when the children ride to school on their bikes and scooters as this is physical activity. Children should not ride their bikes or scooters at all on the school site. Please also remind your children if they are arriving unaccompanied to think carefully and thoughtfully about pedestrians. We have had some 'near misses' recently.

## Milk and Milk Money

The children in Reception receive a free bottle of milk each day if they would like one.

Children in Year 1 and Year 2 can pay 20p to have a bottle of milk at play time. Please pass this on via your child's class teacher it is easier if you could pay for a whole week at a time.

In Key Stage 2 our 'milk monitors' sell the milk on the Key Stage 2 playground at break time. Children can bring some money and pay for this themselves. Children should keep their money in their tray.

## COVID-19 Notification

We take the behaviour and safety of all of our children very seriously. Mrs Sherilyn Pruhs-Borrell is our Designated Safeguarding Lead and Mr Graham

Almond is the Deputy Designated Safeguarding Lead and it is these members of staff you should contact in the first instance with any safeguarding concerns.
