Dear Parents and Carers,

We have had a lovely start to the year. It has been a pleasure to walk round the classrooms this week and observe the children in action. They are calm, focussed and producing some fantastic outcomes. Children are really concentrating on our school value of resilience and demonstrating courage and persistence with some tricky learning. Well done everyone.

It has also been wonderful to see so many children attending the after-school clubs. Have a look at the pictures below to see some of the amazing things they have done. There are still spaces available in some clubs if you would like your child to attend.

## Reading

Reading is so important for everything we do in school and it gives children access to the wider world. Please support us in making your children confident, fluent and engaged readers by spending time at home with their reading book. The teachers would love to see your comments in your child's reading record.

## Governors

I would like to say a huge personal and school thank you to Mrs Powell. She has been our Chair of Governors for over 5 years but is now moving on to work with the Trustees within CIT. She has supported the school dramatically in its changes over the years for which we are very grateful.

All change brings opportunity and the school is lucky to appoint a new Chair of Governors: Mrs Coulthurst. Mrs Coulthurst is the Head of Development at Kyra Teaching Alliance. As a previous Headteacher at Toynton All Saints, she will play a valuable, critical but supportive role to ensure the development of the school continues. The staff and I are looking forward to working with her.

Mrs Pam Powell

## Dress code

### **Jewellery**

Jewellery presents a health and safety risk during the school day. As such we request that children do not wear jewellery to school unless there is a medical reason.

### **Earrings**

Children should only wear studs in their ears. These will need to be removed prior to the child being allowed to take part in PE. Teachers are no longer allowed to help children remove or insert earrings, nor are they allowed to allow children to participate in PE with tape over their earrings. We request that pupils have their ears pierced during the first weeks of the Summer Holidays so that they are able to remove earrings upon their return to school.

### **Make-up**

Children should not be wearing any type of make-up in school. This includes lipstick and lip gloss.

### **Hair Accessories**

If your child has long hair, please ensure that it is tied back neatly for school. Small, school coloured hair accessories may be worn but large bows and brightly coloured accessories are not part of our school uniform.
