The weekly news from Chapel St Leonards Primary School

Issue 64

Circulation: 164

Date: Friday 29th November

Dear Parents/Carers,

The children continue to work hard in the last few weeks of this terms' topics and are demonstrating all of the excellent knowledge that they have been taught.

If you are in the village on Saturday evening look out for our Key Stage 2 'singers' as they perform before the 'light switch on' at the village green. Any children who have completed a form to join us for the singing should meet at the village hall at 5.30pm to walk down with us. We have heard there may be a special visitor in the village on Saturday evening too.

The infant children are busy learning their lines and practising for their play thank you to parents and carers for help with costumes and helping their children learn their lines. We look forward to seeing lots of you at the performances as with last year we won't be issuing tickets please feel free to come along to either or both performances.

**Graham Almond - Headteacher**

## School Uniform

We have noticed a few children not coming to school in clothes that fit our uniform policy. In particular some girls are wearing leggings which is not part of our uniform. As a reminder our Winter uniform is:

- Maroon school sweatshirt or cardigan, white polo shirt/tailored shirt and grey/black trousers, skirt or pinafore.
- Black school shoes and plain socks/tights must be worn all year. We request that sandals and canvas shoes are not worn, to prevent unnecessary playground accidents.

## Applying for a place in Reception

Children born between 1 September 2015 and 31 August 2016 are due to start Reception in September 2020. **The window for applying for a place in Reception opened on 14th November.**

Parents should have received information from Lincolnshire County Council about this. If your child is 4 between September 2020 and August 2021 then you need to apply for a place!

If you would like to come for a visit or know anybody who does then just make an appointment at the school office.

## Shutting the school for snow

With winter upon us we would like to ensure that all Parents/ Carers are aware of the way in which we would notify you should we have to close school.

We would never take this decision lightly and would only close the school should we assess the situation and realise that staff or pupils would be in danger should we open. Notification of any closure would be by local radio, word of mouth, Twitter, Facebook and most importantly the school website.
