Chapel Chat

The weekly news from Chapel St Leonards Primary School

Lest We Forget

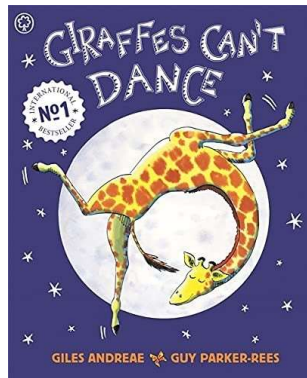

Dear Parents and Carers,

For those of you who I haven't managed to talk to this week, I hope you had a fantastic half-term break.

This term is one of the busiest terms with a range of performances, special assemblies and Christmas celebrations. We are in the process of finalising dates which I will confirm in next week's newsletter.

This week, particularly today, children have focussed their thoughts on current and past heroes and we held a 2 minutes silence to help us reflect. Thank you to everyone who has sent in a donation supporting the annual Poppy Appeal for the Royal British Legion.

Mr Shaw

Recommended Read

This week we are excited to be launching our recommended reads. The first book we are recommending is *Giraffes Can't Dance* by Giles Andreae. We would love you to enjoy this book at home too so we have three copies of it available to borrow in our main entrance. There is a lending book where you can sign it in and out- just like in your local library - and

return when you have finished.

When you have read the book we would love to hear what you thought about it. You are welcome to post a picture of your child reading the book along with a comment about what they thought about the story.

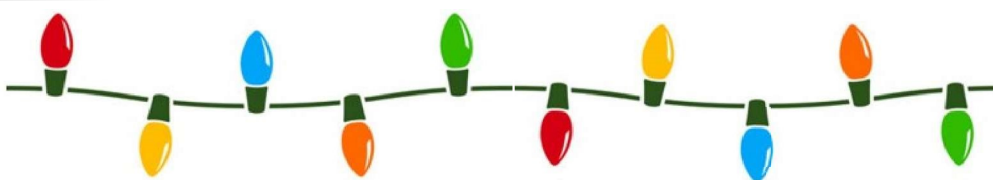

Children in Need

Children in Need takes place on **Friday 18th November**. Children are invited to come to school in non-uniform and wear something spotty. Author and illustrator of the Tom Gates books, Liz Pichon, has designed a t-shirt to raise money for the charity and we will be doing a range of art focussed activities linked with these texts. We appreciate that it is an expensive time of year so we are not asking for a specific donation but if children could bring a coin of any type, they will use this for one of the activities.
