Dear Parents/Carers,

Another busy week has come to an end at school. The Year 6 children have been working at home this week and have done us all proud with their efforts with online learning. It takes a little getting used to but their determination and resilience have been really evident this week. Finding new ways of working, asking questions and how well they support each other has been a pleasure to see. Also thanks to parents and carers who have helped support learning and with any technical issues. We are sure that our online provision will mean the children can hit the ground running when they return to school where the rest of the school continue to work just as hard.

Anti-Bullying Week 2020: United Against Bullying

It was great to see the children in school on Monday in their 'Odd Socks' for the start of Anti Bullying Week. The children enjoyed an excellent assembly with some familiar famous faces to star their learning. Thank you for your support.

Remote Learning

If we are informed to close a class due to a potential COVID-19 exposure all learning will take place remotely on Microsoft Teams with everyone (including staff) working from home. If individual children are self isolating at home we will make sure there is provision for remote learning in place whilst understanding our class teachers are still in school teaching. We will also make arrangements for a School Meal Box for any children eligible for Free School Meals who are isolating due to potential exposure to a positive close contact or a positive test result.

Our School Values

This term the school value we are focussing on is 'Organisation' and the character that helps to remind the children is 'Olive Organisation'. Over the course of the next term we will be embedding the children's organisation skills in classroom activities and through their pieces of work. Each week the class teachers will celebrate a particular child's success in this area and award them one of our special 'Values Bookmarks'. All of our values and characters are

Chloe Communication

Olive Organisation

Rana Resilience

Our CORALS Values

Amery Ambition

Youth Sport Trust After School Sports Club

The Youth Sport Trust have taken the step to deliver a free virtual after school club as part of a national response to the second lockdown.

The 30-minute club will take place at 5pm each weekday.

The After School Sport Club will then run for five weeks starting tonight Monday 16th November until December 18th. Children and young people can take part live by visiting the YouTube channel

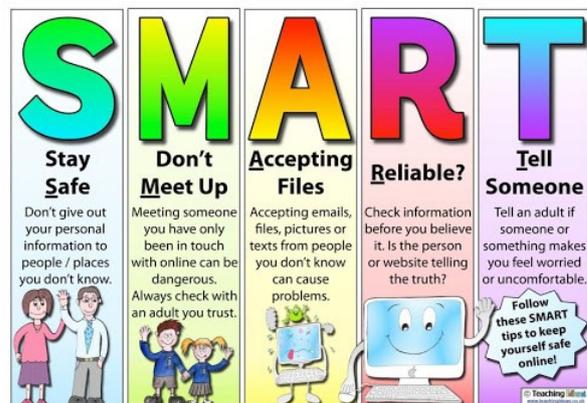

<http://www.youtube.com/user/YouthSportTrust>

Aimed mainly at primary-aged children, a different theme has been assigned for each day of the club - Adventure Monday, Tuesday Play, Wild Wednesday, Thinking Thursday and Fun Friday.

Online Safety

Online Safety and knowing how to help protect children and young people online is essential. The children take part in regular lessons and reminders about the importance of staying safe online and behaving responsibly as part of our curriculum. Please ensure that you talk to your child about the need to be SMART when accessing the internet. You can access information and resources to help keep your child safe online, including conversation starters and video guides., by clicking on the following link: www.thinkunow.co.uk

Follow the QR code to take part in the 'Be Internet Legends' online safety adventure a great resource for parents and children.
