Children in Need

Dear Parents and Carers,

I would like to take this opportunity to thank you all for your support during my first half-term in headship. The wider school community is so valuable for our school and children.

I can't believe the first half-term is over already. We have packed so much in to the 7 weeks with even more exciting learning and events planned for the lead-up to Christmas. I hope you have a brilliant half-term holiday and I will look forward to seeing you and the children on the 7th November at 8:45am.

Mr Shaw

Clothing

Please remember to label all your child's clothing with their name to cut down on the risk of it getting lost. We have a growing number of items of clothing that are not named within school.

Flu immunisation

It's that time of year again when sniffles and coughs start to return to school.

The annual flu immunisation is being offered at school – please make sure you have signed up for your child to receive this.

Handover

To encourage their developing independence, our Key Stage Two children leave their classrooms at the end of the day. If you would prefer, your child can be picked up from their classroom door but please ensure that their class teacher is informed of this.

'Caring, Successful Learners'

Children In Need 2022

This year's Children In Need appeal will be taking place on Friday 18th November.

As a school, we will be creating a giant Pudsey outline and filling it with donated coins. Please send your child in with a coin or two to help fill in our outline - all coins will be donated to the appeal.

Liz Pichon, author and illustrator of the Tom Gates books, has designed this year's T-shirts so we will be taking inspiration from her during the day and doodling the day away!

Children can also take part in a Pudsey colouring competition in return for a 50p donation.

Singsation!

In partnership with the Lincolnshire Music Service, our Year 4, 5 and 6 children are being given the incredible opportunity of being able to sing with Hayley Sanderson (Strictly Come Dancing's lead singer) and a live band on the 16th November!

We will be led in a workshop by Hayley and her band and then have the chance to sing with them, all in our school hall.

Two other local schools will be joining us for this once in a lifetime occasion. The children have already started practising and sound fabulous!
