Dear Parents and Carers,

Who can believe that we are one week away from half-term already!? This week saw the official opening of the EYFS Outdoor Area with special guests from Blue Anchor Leisure, the Reception open classroom event, Year 3 and 4 beach school and lots of fantastic learning throughout school.

My assembly this week focussed on a Tom Percival text called Ravi's Roar - a boy who struggled to contain his feelings of anger. We discussed strategies to manage these feelings in school and at home. If you would like to borrow the book to help conversations at home, you are more than welcome.

Recommended Reads

This week, we have a selection of Julia Donaldson Texts for you to take home for the weekend. The staff couldn't decide on the best one so we thought we would let you tell us.

Which one will you pick?

Uniform Shop

As we all know, our school uniform is an essential part of who we are. The PTA would like to help with the purchasing costs by creating their own uniform shop.

If you have any pre-loved uniform that your child has grown out of, the PTA are looking for donations - these donations could really support others. Please drop your donations off to the school office.
