Dear Parents/Carers,

Happy New Year to everyone! It has been wonderful to welcome the children back after our Christmas break. With lots of changes, everyone has made a positive start to 2024.

Throughout the week, we have been focussing on the British Values and considering how they link to our lives - in school and at home. In assembly, the value of democracy was discussed and the importance of everyone and allowing ourselves to be unique.

This is an important skill to develop as we look around the world we live in today and the challenges we face. Take time over the weekend to reflect on who we are but equally what makes each of us individual and amazing.

**BE UNIQUE
BE YOU**

Home-learning

Home learning challenges have been sent out today. On the theme of being unique, we are looking forward to celebrating your children on their learning outside of school. Remember, these are flexible tasks which we hope will engage and inspire lots of creativity. Mr Keaton from the Creativity Academy will be in next week too and will be hoping to see lots of creative learning.
