The weekly news from Chapel St Leonards Primary School

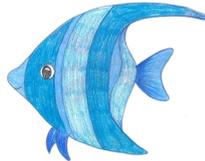

Issue 101

Date: Friday 19th March 2021

Dear Parents/Carers,

We have recently put up our 'whole school paper chain' in the school hall. All of the children in the school have contributed with a drawing or a message or just their name. The children see the paper chain when they eat their lunch each day and it reminds them of how we are all connected even though currently we can't have the whole school events or assemblies (in person) that we all enjoy so much.

In our assembly this week we discussed 'self-efficacy' a tricky concept but one that encouraged the children to think about their own strengths and skills and to draw on these to support themselves and others. It is wonderful to see the children drawing on these things in their everyday learning.
