Issue 84

Circulation: 159

Date: Friday 17th July

Dear Parents/Carers,

There are only two school days left as we break up on Tuesday 21st July for the summer holidays. The children who are in school are enjoying plenty of outdoor learning opportunities let's hope the weather stays as it is today over the rest of the weekend!

Please take some time to read the reopening letter that I mention in the box below—it really is very important.

Have a great weekend.

## 'eschools' app

With your child's school report you will have received a yellow letter with login information for our 'eschools' app. We will use this platform to send text messages, letters and our weekly newsletter in September. Please download the app and login with the details provided. There are some user guides on our school website in the 'Parents' tab.

## School Uniform

All of the details you need to know for buying school uniform are on our school website under the 'Parents' tab or follow the QR code on your Smart Phone. There are some guidance documents so you know the arrangements for buying uniform.

## Reopening the school in September

There is a detailed letter on the school website (News section) that gives parents and carers all of the information they need about our reopening in September. Follow the QR code to find the page. We also have some paper copies of the letters outside the front of the school on the railings. The letter has been sent home via MarvellousMe! and on our 'eschools' app. A link has also been posted from the school Facebook page. There is lots of information included. It is important everyone reads it. Amongst the information are the timings for the start and end of the school day for each year group in September. They are also below:
