**Attendance this week,
who is close to our 96%
target?**

Rec: 98.00%

Y1: 98.33%

Y2: 92.50%

Y3: 91.18%

Y4: 98.57%

Y5: 96.56%

Y6: 95.56%

Dear Parents and Carers,

WOW! What a fantastic start to the new school year the children have made. They look so smart in their new uniforms and have been so eager to get back into work and show their new teachers what they can do.

Our children really loved ending the week at the beach in the glorious sunshine - if only we could do that every week!

Well done to our new-starters, not only in Reception but throughout school. Starting or moving school is a huge event and the children have thrived which has been wonderful to see. I'm sure they will need the weekend to recharge their batteries.

We are already looking forward to next week's learning adventure.

Mr Shaw

Newsletter

Chapel Chat will now be issued every 2 weeks and jam-packed with all our learning, news and much more.

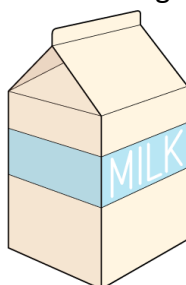

CSLPrimarySch

Milk

Milk is available for children to purchase at break-time every day for 20p. Children who are Pupil Premium can have milk free of charge. Children in Key Stage 2 can buy their own milk from the milk monitors. Children in Key Stage 1 can bring their money to their class teachers. All EYFS children get milk free of charge.

We are a nut free school

Just a quick note to new parents: some children in school have severe allergies to nuts, therefore we ask you not to send any form of nut into school, including Nutella spread and chocolate with nuts in.

Our New Reception Class

A huge well done to our new reception starters, they have done brilliantly in their first week of school. Miss Pettit and Miss Appleton have made some amazing relationships with them and they are gelling well as a class, making good friendships and learning the routines. Thank you for your support and communication in aiding their transition - we should all be really proud of them.

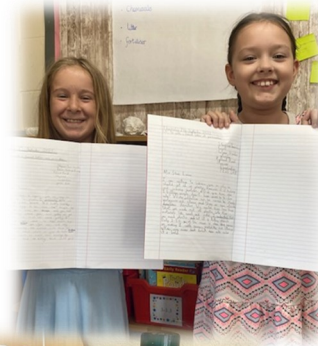

Dates for your diaries - Term 1

Learning Around School

This week we invented our own sea creatures on the laptops —I've had a great time so far in Year 5.

We have made our own sea creatures in Year 4 and written letters about plastics in the ocean.

We have done lots in Year 1—we have built with Lego, played with sand and tried different foods.

In Year 6 we have been reading a book called, The Island, about turtles.

In Year 3 we have made mod roc sculptures and we have been feeding our tortoise!

In Year 2 we have been writing about animals that live in the sea.
