

Chapel Chat

The weekly news from Chapel St Leonards Primary School

Issue 90

Circulation: 140

Date: Friday 2nd October

Dear Parents/Carers,

On Thursday it was lovely to see the children engaged in some activities to celebrate 'Lincolnshire Day'. I hope you noticed the Lincolnshire flag flying proudly at the front of school - even if we could have done with a bit more of a breeze!

We were pleased this week to welcome Mrs Lee to school who is a trainee teacher and will be working in Mr Shaw's class over the coming weeks. Mrs Lee works at Linchfield Primary School who have recently joined our Multi Academy Trust (CIT). I am sure the whole school will make her feel very welcome.

Once you have finished listening to your child read this weekend why not ask them about the meaning of the colours on the Lincolnshire flag?

Graham Almond - Headteacher

Colder Weather and Classroom Ventilation

The weather is already starting to feel cooler as we enter the Autumn. Our school COVID-19 risk assessment states that we must keep windows in classrooms open in order to aid ventilation and keep everyone as safe as possible. We need to continue to keep windows open even on the cooler days, we are allowed to have the heating on in classrooms though. For this reason, to ensure that the children are as warm as possible then we would like to ask parents/carers to consider an extra layer of clothing under t shirts and school jumpers (vest or t-shirt). Children will also be able to wear another layer on top of their jumper too (a coat or gilet would be perfect) if they feel cold during the day). **We will do our very best to make sure the children are not cold in their classrooms. Thank you for your support and understanding.**

Individual Photographs

The Wrates photographer is in school on Thursday to take individual and sibling photos. The company has a detailed risk assessment in place and has produced the safety information below for us to share with you.

Unfortunately due to our strict policy on visitors entering the school we will not be able to accommodate photos of siblings or family members who are not attending school. We will make sure that siblings that are in school get a photo together as normal.

This year, in order to reduce the amount of cash that is being handled all orders for photographs will be made online and details will be provided with the proofs of the photographs. The full details of the Wrates risk assessment can be found by following the QR code:

Chapel Champions: 2nd October 2020

Achievement Award

Values Award: Communication

- Reception** Carson: trying hard with his letter formation and trying to remember his sounds.
- Year 1** Bronwyn: excellent writing in English based on emotions shown from a character in a story.
- Year 2** Zayan: demonstrating his brilliant skipping skills.
- Year 3** Harlow: fabulous work in Geography, locating and labelling different cities of the U.K.
- Year 4** Alissia M: her great organisation of events onto a timeline in chronological order.
- Year 5** Jake: fantastic improvement in his handwriting and English work.
- Year 6** Crystal: her fantastic work in our JB fitness session this week.

- Harmani: developing confidence to ask for help when needed.
- Leighton: creating a story based off of images and confidently sharing his story with the class.
- Tyler K: communicating well with his sentence work.
- Rylee: working hard on developing his presentation to communicate his ideas clearly.
- Kian: sharing his ideas in all lessons and being willing to discuss his thoughts.
- Addison: amazing, mature contributions towards class discussions.
- Curtis: his advice when helping someone to solve long division.

Student Update Forms

Over the next week or so we will be sending out our Student Update Forms. Please check both sides of the yellow form to make sure all of your details are correct. It is vital that we make sure we have up to date contact details for parents and carers and two emergency contacts. We will provide an envelope to return the forms in. Please return the forms to one of the red post boxes as soon as possible. Thank you for your help with this.

Parking

We are requesting once again that parents and carers **DO NOT park on the double yellow lines or pavements**. We also ask that parents and carers **act in a polite and respectful way towards** other road users at pick up and drop off time. We have been in touch with our local PSCO who will be conducting 'spot checks' on parking outside school.

Head Lice

Head lice are a common problem in every school. Please make sure that you check your child's hair regularly and if present please ensure that you treat the head lice so that they are not passed on to other children in the class. If we all do this then it will mean we are helping to prevent them for everyone. Thank you.

Recognising Coronavirus (COVID-19) Symptoms

Symptoms	Covid-19 <small>Symptoms range from mild to severe</small>	Flu <small>Rapid onset of symptoms</small>	Cold <small>Gradual onset of symptoms</small>
Fever (37.8C or above)	Common	Common	Rare
