* This question was answered 'YES and NO' by one parent which was counted towards 'NO'

Chapel St Leonards Primary School Parent Survey Results: January 2020

Summary of 'free text' answers. There were a variety of answers to these questions the majority were very positive. Where issues have been mentioned more than once on a return they are detailed below. A response is detailed below each statement where relevant.

Please comment on things that you value the most at school.

Child/children are happy at this school

Children are pushed/their learning is furthered

Positive changes and improvements have been seen

Range of clubs is good

Teachers are supportive, go above and beyond and nurturing

Communication has improved.

Please comment on things that you would like to see in the future

Even more interactions with parents/keep up current levels.

We host Family Learning sessions, each class has a class assembly, all children perform at Christmas at least once which parents are invited to, we invite parents from year group to lunch once a year, we hold Sports Day in the summer term, we have open afternoons at least twice a year, we have invested in MarvellousMe! app parents can 'Hi5' to show interaction with school and their child's specific learning and achievements. Of course we will look into other manageable ways of interacting with our parents.

More school trips

We like to go on as many trips as possible. We are a 'Beach School' so children get to visit the beach at least three times a year although this is not a trip of great distance our research in school shows very few children get the opportunity to visit the beach in their time away from school. We organise a two-night residential each year for the y5/6 children. Our location does make the distance to travel on trips a long way and does mean a long day and travel costs can be high but we direct Pupil Premium funding towards this but we still rely on parental contributions to make trips viable. We have a variety of visitors in to school (Mobile Planetarium, Ancient Greek workshops, Climbing Wall, Author visits). Now we know parents would like more trips and are prepared to support with payment this is definitely something we will look into.

Celebrate World Book Day

We will be celebrating World Book Day this year and the children will be able to come to school dressed as their favourite book character.

Nothing!

You have our assurance that we will always continue to look at ways to improve the school and the experiences for all of the children.
