Date: Friday 24th September

Dear Parents/Carers,

On a Friday 'Fun Friday' takes place. This is a very exciting day for the children. For 30 minutes the children are able to visit which ever playground they wish (normally at break times the children have play times in their Key Stages). This means that siblings and family members get to see each other, play games and enjoy each others' company. It is something we have not been able to do over the last year or so and it has been great to reintroduce this. There has been a lovely atmosphere on the playgrounds on the last two Fridays.

Our house system is an important part of school life each child is allocated to one of four houses **Sandilands**, **Donna Nook**, **Gibraltar Point** or **Anderby Creek**. The staff also belong to a house and we make sure siblings are in the same house too. The children took part in another important event today too. Voting for our new house captains. Each candidate performed a short speech to their house and then the children voted for who they would like to lead their house this year. Congratulations to our House Captains this year who are: **Ryley and Ruby**, **Alfie W and Miley**, **Addison and Phoebe** and **Jake and Grace**

Let's hope the weather continues to be bright this weekend!

A visit from PCSO Nik

Our local PCSO Nicola Whitwham visited us on Thursday she launched our search for some new Mini Police Officers and also showed the Reception children around her Police car! It is great for the children to meet PCSO Nik and know she is always around locally to keep us safe and remind us about the law.

Reading Padlets

Reading is the single most important skill the children can practise at home. Being able to read means the children can make excellent academic progress and understand all areas of the curriculum. It really is a skill for life! Below are the links to two Reading Padlets (we used Padlets really well to share home learning and stay connected during the school closure). Follow the link or scan the QR codes below to upload photos or videos of your children engaging in reading at home. We can't wait to see your photos and videos!

Reception, Year 1 and Year 2

Share with us photos or videos of your child reading to their 'Reading Buddy' at home!

Year 3, Year 4, Year 5, Year 6

Reading outdoors! Share with us photos of the children enjoying the great outdoors whilst reading their book!

We are collecting 'Grow Tokens' as part of the It's Good to Grow scheme from Morrisons.

Download the 'My Morrisons' app and swipe each time you shop to get tokens for our school!

The more tokens we get the more **free gardening equipment and resources** we can claim! Thank you to those have already collected tokens for us.

Winter PE Kits

As the weather turns cooler our PE lessons don't stop! So that we can make sure the children get the full allocation of two PE lessons a week and utilise our outdoor spaces it would be advisable to provide some extra clothing for your child.

A pair of jogging bottoms and sweatshirt or hoody will give the children an extra layer to keep them warm when they are outside.
