

Chapel Chat

The weekly news from Chapel St Leonards Primary School

Issue 102

Circulation: 146

Date: Friday 26th March 2021

Dear Parents/Carers,

The week has flown by and even though we are operating in very different times I have been amazed by the learning opportunities the children have had this week. From looking after our baby chicks in Reception, studying smallest to largest practically in Year 1 to creating Bug Hotels and learning about Baptism in Year 2. A Fitness MOT session in Year 3, clay volcanoes in Year 4, looking at gears and creating fans in Year 5 and making edible DNA models in Year 6—just some of the things that have been going on! Once again showing how engaged the children are in their learning and the great opportunities our teachers plan for them! Photos on the back!

Graham Almond

End of Term 4

Just a quick reminder that the last day of term is **Thursday 1st April 2021. The children are in school this**

day. We added this day to Term 4 due to our early closure before the Christmas holidays—making sure we are open for the correct number of school days!

World Autism Awareness Week

Next week is World Autism Awareness Week. In our Assembly on Monday we will be thinking about how we are all different and the importance of accepting each other's differences. Follow the QR code for a great video:

Front Car Park

We have a number of taxis that pick up and drop children off in the front car park at the start and end of the day and it gets busy. Year 1 and Year 2 children are supervised by the adult picking them up after we have released them from their class. Our Key Stage 2 children are able to walk from their classroom doors. We have asked these children not to cross the car park but walk down the side path to the grey gate.

Mobile Phones

Our policy on mobile phones is very clear. **The children are not allowed to have them in school.** We understand that you may wish for your child to have to a mobile phone if they are walking to and from school. If this is the case the children need to bring their phone **switched off** and leave it at the School Office in the morning and collect at the end of the day. Thank you

COVID-19 Notification

If you need to inform the school of any COVID-19 related issues out of school hours please use the school COVID email address: Covid19@chapel-cit.co.uk to keep us updated.

Please continue to maintain social distance both on the playground and outside the gates at the start and end of the school day.

Parking

Please park considerably at the front of school not on the yellow lines or dropped kerbs. This helps to keep everyone especially our children safe. Thank you.

Chapel Champions: 26th March 2021

Achievement Award

Values Award: Ambition

- Reception** Zehrain: always trying her best in everything she does and always being kind and polite.
- Year 1** Megan: for her wonderful English work: writing instructions

- Year 3** Rhianna: for trying hard to use new scientific vocabulary in her work.
- Year 4** Keenan: his great science work on exploring the different parts of the body.
- Year 5** Charlie: Outstanding fraction work in Maths.
- Year 6** Tia: her fantastic complex sentences in English all week.

- Zachary: Real improvement in his changing and developing his independent skills.
- Bronwyn: always being ambitious with her work, trying her best.
- Ruby: extending her own learning at home by creating a thoughtful habitat for the dinosaur she constructed.
- Isaac: for being more ambitious with his presentation.
- Summer: showing excellent ambition with her reading.
- Grace: showing ambitious inference and prediction skills in English.
- Ellie-Mai: always setting ambitious expectations of herself in every lesson.

In school this week...

Another busy week with lots going on in school!

Year 2 have created some bug hotels in preparation for newspaper report writing! I hope they still look like this

Practical Maths in Year 1 ordering from smallest to largest.

Year 5 Whole Class Reading 'Island'

Yoga for Year 1 and Year 3

Year 2 using our Lego We.do kits

Practical Science in Year 3
