The weekly news from Chapel St Leonards Primary School

Issue 39

Circulation: 163

Date: Friday 29th March

Dear Parents/Carers,

It is hard to believe we are nearly at the end of the term. The teachers have lots of exciting plans for next week as the children finish their current topics and move onto their next topics after the Easter break.

As I visit classrooms around the school it is so clear to see that the children are really engaged in all that they are doing and their topics are bringing their learning to life. Whether this is in Year 1 when I am told lots of interesting facts and information all about the Great Fire of London, Year 3 where the children are engrossed in their work about predators or in Year 5 where the children are using the film Coco as a stimulus for writing.

Have a great weekend, lets hope the sun stays out!

Graham Almond - proud Headteacher

## Mothers' Day Lunch

Thank you to all our Mums who came to have lunch with us today. It was very busy but we got everyone served and we made sure all our Mums ate with all of their children! Thank you to Mrs Richardson and Mrs Cook for their hard work in preparing the extra meals. The food, as always, was delicious.
