Chapel Chat

The weekly news from Chapel St Leonards Primary School

Circulation: 171

Date: Friday 28th September

Dear Parents/Carers,

It has been a really busy week in school—it has flown by. The children continue to show excellent manners and behaviour.

As you will see later in the newsletter the Year 5 and 6 children have been out on their trips this week. I would like to thank all of the parents and carers for helping them to have a fantastic day by providing World War II style clothing for the children. This really did help to make the days a success and your support with this is really appreciated. We understand that everyone leads very busy lives but by spending some time thinking about a costume with your child it really did give them a great experience. Thank you.

We have recently noticed that a considerable number of children are not coming to school with their PE kits. This means they have to borrow kit as we are always keen for children to take part in PE. Children should only take their PE kit home at the end of the week or term for washing meaning that it is in school all week. This will really help the teachers to make sure the children get plenty of physical activity.

Well done to all those people who correctly named my favourite football team last week. On the basis of current results let's leave it there for now! Have a good weekend.

Sporting Update

Our Key Stage 2 football teams took part in tournaments this week on the 3G pitch at Wainfleet Road. On Tuesday the girls football team improved immensely throughout the afternoon and won their last game 4-0. Our boys team (without the Year 6s who were on their trip) played amazingly well and tried their very best. They finished in 6th place. We have no doubt that when we enter events such as this in the future following some more training and practise the children will get the success their efforts deserve. Thank you to Mr Borrell and Mr Shaw for taking the teams.

We'll Meet Again

The Year 5 and 6 children visited the We'll Meet Again museum in Frieston on Tuesday and Thursday this week. The children looked amazing in their World War II outfits and the teachers returned to school to share the excellent behaviour the children displayed. Trips such as this really enhance our curriculum and give children first hand experiences to inspire them.
