## Recommended Read

Dear Parents and Carers,

This week has been a week full of sports and activities. Our Year 5 and 6 children have attended indoor athletics and the Barclay's 'Let's Play' girls football event. I love how our children excel in these opportunities, demonstrating resilience, teamwork and unity.

The teachers are looking forward to Parent's Meetings next week - if you haven't booked on yet, please log onto eSchools and book your place. If you are having difficulty, please contact the school office who will be happy to help.

Myself and the governors are looking forward to seeing you there.

*Mr Shaw*

## Let's learn together during Science Week

During Science Week next week, children will be exploring a range of scientific skills. One of the activities they will be doing is creating a "Flappy Fish" and we would love for you to come along on Friday at 2pm and create one with your child to enter into the grand final.

## Who will win? Adults or Children?

## Careers Fair - can you help?

On Thursday 30th March, we are hoping to run a Careers Fair for our children. We are looking for professionals from as many professions as possible: plumbers, hairdressers, gardeners, business owners and everything else in between. If you think you could support us or know

## Musical Success

Well done to Music Club who are working hard on their drumming skills this week using the djembe drums.

# Learning Around School

## Chapel Champions

	Achievement Award	Values Award
<b>Reception</b>	Charley Belle for amazing work on making 10 using a ten frame.	Ruby (leadership) for being able to show others what they need to do in a kind and caring manner.
<b>Year 1</b>	Myles for creating compound sentences using a conjunction.	Reggie (resilience) for persevering with his writing.
<b>Year 2</b>	Zachary for amazing maths work when calculating groups of 10.	Chloe. B (leadership) for leading a phonics group with confidence.
<b>Year 3</b>	Lacie for her fantastic recall and illustrations of Hindu symbols.	Jacob (ambition) for achieving his goal in TT Rockstars.
<b>Year 4</b>	Joseph for some fantastic work as we begin our unit on decimals.	Blake (safety) for being safe (and fair) during team games in PE and at break times.
<b>Year 5</b>	Bella for her enthusiasm and extra learning all about our Science work on space and our solar system.	Marley (leadership) for her 'can do' attitude at football and 'getting stuck in.'
<b>Year 6</b>	Harry for his brilliant start to Area and Perimeter in Maths!	Maisie T (resilience) for her amazing resilience during the Football Festival.
