Friday 24th March

PTA Easter Egg Hunt - A letter will come out to confirm details shortly

Monday 27th March

Y5 Gibraltar Point Trip

Thursday 30th March

Careers Fair—please talk to Mr Shaw if you can help

Dear Parents and Carers,

Wow, thank you to everyone who attended the Science event this afternoon, over 50 parents/carers attended which was brilliant to see. Your children have been real scientists all week: making and taking finger-prints, doing forces work with fish, meeting with the NFU to discuss the Science of farming and much, much more.

A big thank you must be said to Miss Vines who has worked tremendously hard to put on the events this week, support the teachers with resources to engage the children and keep the wider world informed on social media. If you don't at the minute, follow us on Facebook and Twitter using our handle:

National Test Dates

As many of you will know, some of our children have some statutory national tests coming up which they are working extremely hard towards. I wanted to remind you of the dates so you can support us in preparing your children. It is more important than ever that your child is in school up to and including these dates.

Year 6 SATs: Tuesday 9th May—Friday 12th May 2023

Year 4 Multiplication tests: a 3 week window from Monday 5th June

Year 2 SATs: Throughout May 2023

Phonics screening (for all Year 1 and some Year 2): Week beginning Monday 12th June.

Learning Around School

Chapel's Recommended Read

George is a dog with a big personality and he LOVES cake, rubbish bins and chasing Cats. After he behaves badly when his owner Harris is out, he tries harder on a trip to the park - but will he be able to resist temptation?

Tree planting help.

The Woodland Trust have donated a range of trees and bushes - too many for the Eco Council and Mr Shaw to plant on their own. We would like to plant them on the morning of **Tuesday 21st March, starting at 9am.**

If you would be available to help, can you register your name at the office, and bring some gloves and a spade on the 21st.

Many hands make light work.
