Y2 Trip to Skegness:

RNLI, Beach and Aquarium

Dear Parents and Carers,

The end of another half-term is upon us and we have ended on a high with Children's Mental Health Week, a fantastic ukulele performance, Year 1 class assembly and our Resilience morning where the children have outdone themselves once again.

Some of you will have seen snippets of the work completed on the Reception outdoor area. You will be pleased to hear that, from the start of next term, the reception children will be able to start accessing it properly (some may have sneaked on today) and the next project is already in its planning stage...

I hope you all have a well deserved half-term and the sun continues to shine. Myself and the staff will look forward to welcoming you back into school on Monday 20th @ 8:45am.

*Mr Shaw*

## Lincoln's

### Book Recommendation

This week's recommended read comes from the same author as last week: Anthony Browne. It is one of his less popular texts which Lincoln identified in his reading corner and loved - so we thought we would share it with you all.

We hope you enjoy this unique read!

The more you **READ**  
the more you **KNOW**  
the more you **LEARN.**  
the more places  
you'll **GO!** **Dr. Seuss**

## Writing Challenge

5 days - 5 themes - 5 opportunities...

What can you create?

A challenge of writing and imagination, where will yours take you? Use the 5 themes, over the 5 days, to create something crazy: a recipe in the style of George's Marvellous Medicine, a shopping list of what your parent should *actually* buy or a school report for your teacher. We want to see your imagination go WILD!!! Use the below themes to turn the normal into madness...

Monday - Crocodiles

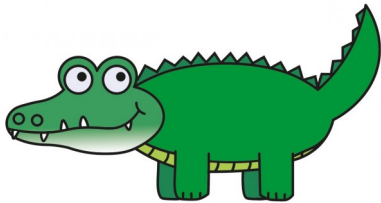

Tuesday - Strawberries

Wednesday - a boat

Thursday - the letter K

Friday - the number 33

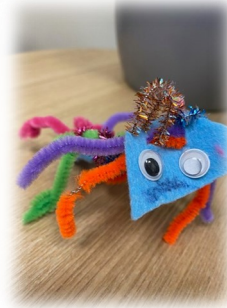

All entries to Mrs Search on Monday 20th February.

## Creativity Award

Mr Keaton will be back in next term and wants to look at your creative designs, writing, dances and other 'things'.

Well done to all the children that have started their creative journey - we will be sharing these next term.

### ***The Lincolnshire Police Prevent - Raising awareness around the risk of radicalisation***

*The Lincolnshire Police Prevent team would like to reach out to parents / carers within the county to raise awareness around the risk of radicalisation among young people. We would really appreciate schools sending out the wording and link below on email to the parents / carers of young people within schools.*

*Young people can be at a greater risk of being targeted by extremists and the internet has made it much easier for radicalisers to find and identify people who might be easily influenced.*

*In Lincolnshire, last year most of the cases referred to Prevent related to young people and one of the biggest concerns was online activity including the sharing of extremist information.*

*Friends and family are often the first to spot worrying changes taking place. These can be big or small changes that take place very quickly or over a longer period. Trust your instincts and if you're concerned seek advice.*

*ACT Early provides advice on the risks of radicalisation, spotting the signs and what to do if concerned.*
