The weekly news from Chapel St Leonards Primary School

Issue 81

Circulation: 159

Date: Friday 26th June

Dear Parents/Carers,

I hope everyone has had the chance to enjoy the glorious weather this week. The children that are in school have been doing lots of work outdoors. I am sure the children who are still at home have had the opportunity to enjoy the great outdoors it is really important to appreciate the wonderful surroundings we have and certainly makes us very proud of the 'Beach School' provision that we offer as part of our curriculum in school.

Some of the teachers will be making phone calls home next week so if you have a call from an unknown number then it may well be them making contact.

Over the next week or so we will be providing more resources for the children who are learning at home and we will continue to keep our website updated each week. Next week is Week 12.

Graham Almond - Headteacher

School Website

Visiting the school website is the best way to ensure you know exactly what is happening in school.

Lincolnshire Co-op Community Champions

We are raising money for school through the Co-op Community Champions programme. Co-op members vote for us here: <https://www.lincolnshire.coop/community-voting/community-champions-vote-2020> or follow the QR code.

Returning to school in September 2020

Throughout the COVID-19 pandemic and the challenges we have all faced it was always our determination to try to operate the school as close as possible to 'normal' in September. We still do not know what the exact details and logistical arrangements for September are but we are very much hoping, as long as the guidance allows to, to have all of the children back in school, in September. Our priority of course remains the safety of our children, staff and their families. It is not our intention, unless we are specifically directed to by the Government, to be open at all during the school summer holidays (last day of term is Tuesday 21st July). Once again thank you to the whole school community for their support.

Teachers for September 2020

We are very pleased to share with you the arrangements for each year group for next September.
