Chapel Chat

The weekly news from Chapel St Leonards Primary School

Issue 15 | Circulation: 183 | Date: Friday 14th September

Dear Parents/Carers,

The children have made a fabulous start to the year. I have been hugely impressed with their behaviour and manners.

Over the course of the school year we will be exploring a number of 'values' to help guide the children to make the right choices and develop great learning habits. This term we are focusing on 'Organisation' - **Olly Organisation** will be popping up around the school and children will take part in weekly lessons helping to develop their organisational skills. Why not try to help the children become more organised by giving them some more responsibility at home? Perhaps encouraging them to get their school bags and clothing organised.

Our Year 4 children started swimming at the Robin Hood pool on Wednesday morning and we are delighted to let you know that our families have been given use of the pool again on a Thursday between 3.15pm and 5.30pm at £3 per family.

Have a good weekend.

Headteacher

Safeguarding

All of the staff in school take the behaviour, welfare and safety of all of our children very seriously. Our Designated Safeguarding Leader is Mrs Sherilyn Pruhs -Borrell, Mr Graham Almond is the Deputy Safeguarding Lead. Mrs Pruhs-Borrell and Mr Almond are the members of staff you should approach in the first instance if you have concerns or questions.

After School Activities

Our After School Activities letter was sent home earlier this week. The teachers are giving up their free time to give the children extra curricular activities. Clubs will start next week and run until the Christmas Holidays with **no clubs on Parents' Evening week in October.** Your child will have brought home a slip confirming if they have got a place in the club or not.

Key Stage 1 Milk

It would really help if your child is going to have milk all week if they bring their £1 on a Monday to pay for a week's worth of milk.

Keep up to date with all that is going at school:

Home School Agreement and Update Forms

Over the next few weeks we will be sending out our Home School Agreement and update forms. There will be three yellow forms that will need completing and details checking. It is vital that we make sure we have up to date contact details for parents and carers and two emergency contacts. We will provide an envelope to return the forms in. Please return the forms to the School Office as soon as possible. Thank you for your help with this.

Earrings

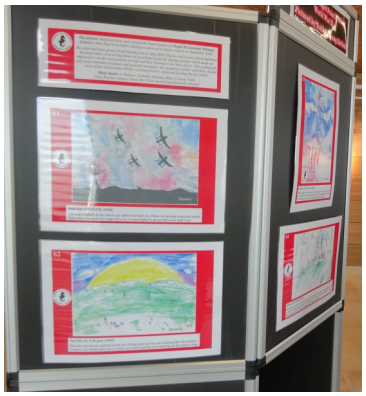

We ask that children only wear studs in their ears. Our policy has changed with regards to PE. Earrings will need to be removed prior to the child being allowed to take part in PE. Teachers are no longer allowed to help children remove or insert earrings, nor are they allowed to allow children to participate in PE with tape over their earrings.

Remember—No child is allowed to **participate in PE should they be wearing earrings** — even if they have been taped over.

Year 5 and 6 visit North Sea Observatory

Last Friday Mr Shaw and Miss Hanson took the Year 5 and 6 children to the new North Sea Observatory at Chapel Point. On display are World War II diary entries and poetry by May Hill a resident of Chapel St Leonards during the war. Last year some of the Year 6 children produced some art work to accompany extracts from May's diaries. Why not pop down and have a look?

Not only did the children ask some excellent questions their excellent behaviour and manners were commented on by members of the public. Well done!
