*In KS2 (Y3,4,5,6) children will be released from their classroom to find their adult or walk/bike home. This is done to develop independence in the children. If you would like the teacher to hand over directly to you, please let them know on the door in the morning.*

Dear Parents and Carers,

It has been wonderful to have all the children back in school for the new school year. They have settled back into school and their routines so well, making us all very proud.

It has also been great to have the parents and our wider school community back together. We are in a fortunate position this year with minimal restrictions in place to be able to welcome you on-site more and hope to invite you in for performances, assemblies, class workshops and much more... watch this space!

*Mr Shaw*

## **Welcome Reception**

We would like to say a big hello and congratulations to our new starters in reception. They have had a really positive first week with lots of smiles and fun.

## **Well done...**

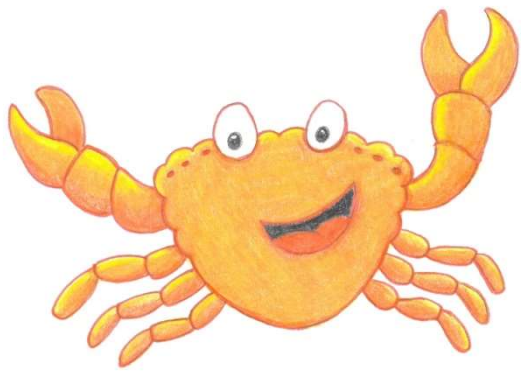

Miss Hicks has worked tirelessly towards her Higher Level Teaching Assistant (HLTA) Award over the last year which she has finally completed and passed with flying colours. Well done Miss Hicks.
