Circulation: 153

Date: Friday 22nd April 2022

Dear Parents/Carers,

We hope that you all had a great break over the Easter holidays. The children are back and refreshed and ready for the Summer term.

Our whole school value for this term is 'Leadership' represented by Leonard the lobster. We talked in assembly on Monday about what makes a good leader and when the children may use their leadership skills.

As well as the fact that even our youngest children can lead the way for our oldest children.

This is always a busy term with lots going on. The diary dates on the newsletter each week are the best way to keep up to date with what the children will be getting up to and gives you the chance to look out for any separate letters that may be sent to you. These will also be sent using our 'eschools' app again please make sure you have signed up for this. Thank you

**Graham Almond**

## Allergies

Some of our children risk suffering a life threatening reaction to nuts – even by simply being in the vicinity of a nut. For this reason, we ask that no child bring any food items into school that contain nuts, even for their own consumption.

## PE Kits

As the weather improves we will make the most of the opportunities for our PE lessons to be outside using our wonderful outdoor spaces. Please ensure that your child has their PE kit in school each school day so that the children do not miss out on these lessons.

## Horror Games online

It has been brought to our attention that there is a new online horror game which some children are talking about in school. It is called 'Poppy Playtime' and is based on a toy which chases you around a toy factory. There is not an official rating for the game however it is causing some of our older children to have nightmares.

The toy in this game is called Huggy Wuggy and he looks like this:

We have spoken to children about this game not being suitable for them to play. Please could we ask you to reiterate these messages at home.

For more information about this game and how to support your child with online safety please follow the QR code:

Thank you for your support.

## Year 6 SATs

This year the pupils in Year 6 will take their Standard Attainment Tests (SATs) on the dates below. We do not want the pupils to become stressed or disenchanted with school during the build-up. As such we have explained that we do not mind how each pupil does so long as they try their hardest. The SATs are important as they are used to gauge future progress, especially in Year 11 (GCSE year). Doing well now is a firm foundation for the future.

Monday 9th May	Grammar Test followed by: Spelling Test
Tuesday 10th May	Reading Test
Wednesday 11th May	Maths Paper 1 (Arithmetic) followed by Maths Paper 2 (Reasoning)
Thursday 12th May	Maths Paper 3 (Reasoning)
