Dear Parents/Carers,

It is great to be back and I hope you and your families enjoyed some of the Jubilee celebrations. Our final assembly at the end of last term was wonderful and we were able to share the learning that the children had taken part in during our Jubilee day.

As we enter the final term of the academic year the school diary gets busier and busier with the usual summer events please keep an eye on the dates on the newsletter each week - we will add events on as the term progresses.

Next Friday is our Book Fair Tea Party which, I for one, am really looking forward. Please bring any donations of cakes for us to sell in on Friday morning. The Book Fair will also be open on Tuesday and Monday 20th June after school too.

Let's hope the sun keeps shining this weekend!

Allergies

Some of our children risk suffering a life threatening reaction to nuts – even by simply being in the vicinity of a nut. For this reason, we ask that no child bring any food items into school that contain nuts, even for their own consumption.

Online Videos/Content

Please make sure you supervise and check what your children are watching when they are online. We have had a number of incidents of children discussing, sharing and acting out very inappropriate content that they have watched online whilst at home.

Water bottles and Sun Hats

As the weather gets warmer here are a few reminders:

- Please send your child with a water bottle every day.
- Sun cream/protection should be applied before school - staff are unable to apply sun cream.
- Children can bring in a hat to wear at play times to help protect them from the sun.
- Please make sure PE kit is in school everyday.
