

## Year 2

In Year 2 this half term we are learning about the Great Fire Of London in our 'Bright Lights, Big City' themed work. There are a number of activities that can be completed with your child / children outlined below.

We look forward to seeing all your hard work back in school by the 29<sup>th</sup> of March.

### Activity 1

#### English:

In our English lessons we are going to be creating explanation texts .Can you 'invent' your own machine to help you with something and then write an explanation about how it works?

Maybe create a machine that will help you tidy your room?!

### Activity 2

#### Maths:

For maths homework keep practising your adding and subtracting skills. Use the calculations on the other side of this sheet to start you off but don't be afraid to do more! Remember to think if you need to exchange.

Keep 'rocking' with your times tables practise by logging onto TT Rockstars. We are now learning our threes so give them a go at home too.

### Activity 3

#### Theme:

Later on in the term we are looking at the London landmark, The London Zoo.

Can you make your very own zoo enclosure complete with animal, food, shelter and things to keep your animal entertained?

Become a zoo-keeper!

### General home learning

- Read your book every night for 20 minutes
- Practise your 8 weekly spellings
- Share your learning with someone at home
- Practise your 2, 3, 5 and 10 times tables
