Dear Parents/Carers,

What a term! We have had such fantastic opportunities throughout school thanks to our amazing staff and enthusiastic children. As you will see from the letter your children come home with, CIT have confirmed that they are *'delighted to let you know that we have appointed Laura Turner to the role of Executive Headteacher. Laura already works within the Community Inclusive Trust as a Headteacher at Woodlands School in Spilsby and so will be able to visit the school regularly prior to beginning in September.'* Miss Turner and I have already worked together in our current capacities and I am pleased about her appointment. We share the same, child-centred approach to education and I feel secure that our school community will be left in safe hands to continue our growth next academic year.

CSLPrimarySch

Mr Shaw

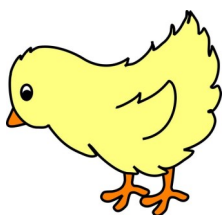

EYFS have absolutely loved having a clutch of chicks in their classroom over the last couple of weeks.

The children have learnt so much—from lifecycles to how to care for animals and they have been able to create some amazing work from this experience.

The chicks have even paid visits to other classes and been able to help the older children deepen their own knowledge.

Many thanks to the Happy Chick Company for allowing our children to immerse themselves in their learning.

Dates for your Diary
