The weekly news from Chapel St Leonards Primary School

Issue 135

Circulation: 150

Date: Friday 28th January 2022

Dear Parents/Carers,

Another week has flown by!

I am sure you will have read the letter that I sent out on Monday regarding the COVID-19 situation in school. Whilst we do have some confirmed cases in school (staff and children) these are still at a relatively low level and much lower than those experienced by other schools. We do not know how things will develop over the next two weeks before half term but we will continue to keep you updated and be here should you need any help, advice or support. The guidance changes regularly please continue to contact the School Office if you do have any queries.

On Monday, our Year 5 and Year 6 children had a visit from PCSO Nik who talked to them about the 'Fatal 4'.

These all related to adults driving and gave the children information about the dangers of drug/drink driving, speeding, not wearing a seat belt and using a mobile phone whilst at the wheel. Next week the children, with the help of our Mini Police, will be out and about in the village monitoring the speed of drivers.

## SEND Padlet

There are lots of resources on our SEND Padlet that can support parents and carers for a variety of needs. Follow the QR code to take a look.

## Online Safety

A useful reminder about staying safe online:

**Be smart on the internet**

**S SAFE** Keep safe by being careful not to give out personal information – such as your full name, email address, phone number, home address, photos or school name – to people you are chatting with online.

**M MEETING** Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.

**A ACCEPTING** Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

**R RELIABLE** Information you find on the internet may not be true, or someone online may be lying about who they are.

**T TELL** Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online. You can report online abuse to the police at [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk).

Visit Childnet's Kidsmart website to play interactive games and test your online safety knowledge. You can also share your favourite websites and online safety tips by Joining Hands with people all around the world.

## Traffic outside school

Please **do not park on the yellow lines** outside school they are there to keep the children safe.

Please remember you are driving outside a school and there will be children around. **Drive with caution and obey speed limits.**

## COVID-19 Notification

If you need to inform the school of any COVID-19 related issues out of school hours please use the school COVID email address: [Covid19@chapel-cit.co.uk](mailto:Covid19@chapel-cit.co.uk) to keep school updated.

## Superone Karting

Connor is 7 years old this year he will be competing in the Superone Karting Championship again.

**Last year he finished 5<sup>th</sup> place out of 24 competitors!**

To help Connor become more competitive and give him the best possible chance of success we are seeking sponsorship to support him further

Formula One drivers like Lewis Hamilton, Jenson Button and David Coulthard have competed in the Superone Championships before.

## How great would it be to say you helped to support a Formula One driver's career?

In return for your support we would advertise your business on the go-kart and the race suit which will be visible on YouTube (events are broadcast by Alpha Timing) and on Connor's dedicated Facebook page.

If you are interested in helping in any way or would like more information please contact Nathan Butler: 07951852028.
