Last Day of Spring Term—Easter Holidays

Dear Parents and Carers,

What another fantastic week we have had at school! As you walk through school, you can hear the children excited and engaged with all their learning. Even though we only have less than a week left until the end of term, each class is putting so much energy and enthusiasm into what they are doing. We are so proud of them.

On Thursday we took part in lots of practical Maths to promote World Maths Day. The children worked in their House Teams to complete a variety of practical Maths-based investigations and activities. They loved every minute.

Mr Shaw

Keep up to date with everything we do in school by following us on our Facebook and Twitter:

Table Tennis

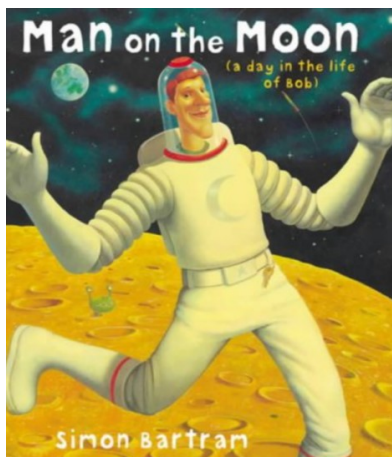

Well done to our Key Stage Two Table Tennis players, who visited Skegness Academy this week. They played hard, listened carefully and put all their very best efforts into everything that was asked of them. You really impressed Mrs Borrell and Mrs Withnall with your skills!

Careers Fair

We are still looking for people within our school community who can come into school on Thursday 30th March to introduce their careers to our children.

Please get in touch if you think you can help.

Man on the Moon (a day in the life of Bob)

Bob has a very special job—he looks after the Moon! He knows almost everything there is to know about the Moon. He makes sure it is clean and tidy. He entertains tourists and gives guided tours.

He definitely knows that there is no such thing as aliens.

Or is there?
