The weekly news from Chapel St Leonards Primary School

Issue 46

Circulation: 173

Date: Friday 7th June 2019

Dear Parents/Carers,

I started the week by setting the school a challenge of raising some money for us to be able to buy some new reading books for the children in school. It is an ambitious target of £500 by the end of the school year.

We will be holding a series of fundraising events to help us reach our target. There will be a non uniform day, our Book Fair Tea Party, the Summer Fair and our Year 6 children will be selling ice poles after school on the playground on warm days (let's hope we get some nice weather!)

If you have any other ideas or would like to get involved in helping us reach our target then please catch me on the playground or contact me via the School Office.

The children have worked really hard during their first week back at school and rumour has it the Year 6 children may well be performing for us later in the term. Watch this space!

Term time holidays

We understand how expensive holidays are during the school holiday periods and that many of our parents work in a seasonal industry. Unfortunately, we cannot ever authorise holidays for the children in school time even if it is just for one day. We never let our staff have time off during term time to take advantage of cheaper holiday prices.

**EVERY
SCHOOL DAY
COUNTS**

Absences during term time may result in a Fixed Penalty Notice being issued by the Local Authority in respect of this. Section 7 of the Education Act 1996, places upon parents a duty to ensure that their child receives efficient full time education by regular attendance at school or otherwise. Where a child is a registered pupil at school and the parent fails to ensure that the child's regular attendance at school the parent is liable to be prosecuted for a criminal offence under section 44 of the Education Act.

Summer Fair 2019—Saturday 6th July

Come and join us at our Summer Fair 2019 from 11am on Saturday 6th July. We are raising funds towards our £500 target!

Each class will have a stall that they have worked hard in school to develop.

If you would like a stall please see Mr Almond at school or leave a message at the School Office.

If you are interested in helping out even for just an hour or have some great ideas we have a planning meeting in school on 11th June at 10am.

School Uniform

For those parents hoping to order school uniform early for next year for delivery to school the cut-off date for next month's delivery will be 12th July. All orders received by this date will be despatched from our supplier Nationwide School Uniforms on the 15th July for delivery before the end of term. You can continue to order uniform throughout the summer but orders for delivery to school will not be delivered until September.
