The weekly news from Chapel St Leonards Primary School

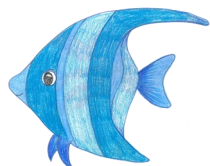

Issue 140

Circulation: 151

Date: Friday 11th March 2022

Dear Parents/Carers,

I know that you have all had a chance to read the letter from Mrs Powell that was sent out yesterday and digest the news.

Thank you to everyone who has come to see me and for your best wishes. It was a very difficult decision to leave Chapel St Leonards Primary School and not one that I took lightly. For now though, it is very much 'business as usual' and I am thoroughly looking forward to the next few months.

I am sure the children will have mentioned to you we are once again taking part in the 'Eat Them to Defeat Them' campaign. Next week is week three. So far we have said 'it's crunch time carrots' and 'get stuffed peppers' our vegetable to defeat, next week is broccoli! Not one of my favourites!

**Graham Almond**

## Paralympic Visit

On Thursday we were thrilled to be joined by Danielle Brown MBE and Evie Toombes. Danielle is double Paralympic gold medalist in archery and five time gold medalist and Evie is a very successful para showjumper. Both athletes told their inspiring stories to the children. Linking perfectly with our whole school value for this term of 'ambition'. The day was organised by The Mintridge Foundation in conjunction with Bowbridge Homes who are working in the local area. The children asked some really thoughtful questions during the presentation from Danielle and then all took part in some archery sessions. It is fair to say we have some budding archers in our school!
