The weekly news from Chapel St Leonards Primary School

Issue 80

Circulation: 159

Date: Friday 19th June

Dear Parents/Carers,

Another week has passed and our much smaller and very different provision continues. The children are now getting used to their new routines and we have welcomed some more children in to the class groupings.

We were pleased to be able to put together some paper based 'Transition Packs' for our Year 6 children and there are still some of these that can be collected from the front of school. There is a pack for each child which can be collected at anytime.

Over the last few weeks the teachers have been very busy writing the annual school reports for all of the children in their classes. We are making the final checks on these now and we will then post them out to each family. We will let you know the date on which we post these so you know when to expect them.

Graham Almond - Headteacher

School Website

The school website is the best way to ensure you know exactly what is happening in school.

www.chapelstleonards.eschools.co.uk

or 'Google' Chapel St Leonards Primary School

As far as possible we will continue to put on the School Closure Class pages for each year group on our website. Next week is week 11. Other resources to access at home are [BBC Bitesize](#) and the [Oak National Academy](#) both continue to offer great daily lessons that can help with working at home.

We are hoping to provide some paper based resources over the coming weeks too.

This week in school...

Our Critical Worker group have been designing and making chairs for their own egg people!

Outdoor learning in Reception.

Year 1 children taking part in Maths activities and measuring the plants they are growing.
