Date: Friday 4th March 2022

Dear Parents/Carers,

Thank you for your efforts with costumes for World Book Day on Thursday the children looked great and enjoyed dressing up.

We know from parental feedback that this is something that you really wanted us to take part in on World Book Day.

I am pleased to report that the Year 2 children had a lovely time on their trip this week and that Year 4 enjoyed a great Beach Schools session linked to their topic of Earthquakes and Volcanos.

It is Parents' Evening on Monday and Wednesday next week. **There are no After School Clubs next week.**

if you are struggling to make an appointment on 'eschools' please try resetting your password. Once you have chosen a password we no longer have access to this but you can use the link to reset it. I am looking forward to seeing lots of you next week.

Have a good weekend.

**Graham Almond**

## Storytime!

As part of our World Book Day celebrations it was wonderful to see some parents and carers coming into school to share their special 'Storytime' magazine. There are some great stories and activities in these magazines. Thank you to all of the parents/carers that joined and Mr Shaw for organising the events for us.

## SEND Coffee Morning

Does your child attend our school and have Special Educational Needs? You are welcome to join us for a supportive coffee morning on **Friday 18th March 2022 from 9.15am to 10.15am.**

## Ear rings

Children should only wear studs in their ears. These will need to be removed prior to the child being allowed to take part in PE. Staff are not allowed to help children remove or insert earrings, nor are they allowed to allow children to participate in PE with tape over their earrings.

If your child is having their ears pierced it is always best to do this at the start of the six week summer holidays that way on our return to school the ear rings can be removed and also the children have had time to practice.

**Remember:** No child is allowed to **participate in PE should they be wearing earrings** (even if they have been taped over).

## Mini Police Engagement

On Wednesday as part of our work with PCSO Nik on the 'Fatal 4' the Year 5 and 6 children (including our Mini Police Officers) went into the village to conduct some testing of the speeds that cars were travelling.
