Dear Parents and Carers,

Wow, what a year - from Santa fun runs, music festivals, and beach school to amazing lessons, a new EYFS area and individual successes from all round the school. This year has been one to remember. I would like to take this opportunity to thank all the parents for their support and communication over the year. The best outcomes for your children will come from us (school, parents/carers and children) working together.

I would also like to thank the staff for their continued hard work. They constantly strive to do the best for every child in our school, every day of the week. #teamCSL is a special place because of the commitment these adults show.

Finally, our Year 6s! With a lump in my throat, we say goodbye. These children have achieved so much yet are only at the start of their story. I hope that we have given them the spark, drive and passion to conquer life; making the most of every opportunity. The door is always open for them and many more will open as life progresses. We wish them all the very best in their next chapter.

Good luck Year 6

Mr Shaw

Goodbye Year 6

Goodbye old school
What more can we say
It's Bon Voyage
It's anchors aweigh!
The desks are quite empty
The classroom is bare
But our hearts are full
And you'll always be there
Goodbye old school
What more can we say!

Jacob's family are holding a BBQ in support of the local Haemophilia Society Group - join them for fun and food.

Staff Goodbyes

I am sad to say that, along with our Year 6 children, Mrs Lyall, Mrs Harrison and Mr Patten leave the school for the last time. Both Mrs Lyall and Mrs Harrison are long serving members of staff and I would personally like to take this opportunity to thank them for their hard work over their years of service. They have influenced so many young minds over the years and will be greatly missed.

Mr Patten moves on too and will be completing his teacher training whilst working in other schools. I'm sure you will join me in wishing him every success in the future. He too will be greatly missed.

School meals

School meals in our school are delicious and nutritious. We have a wide range of fabulous foods available and cater to many needs. We have fought with raising costs all year and have kept the price the same for the **last 12 years**. Unfortunately, due to the increased costs, we are having to raise our prices minimally to **£2.40** per meal. Children in receipt of Pupil Premium will receive meals free of charge. If you are unsure if you qualify for free school meals, please speak to Mrs Vessey in the school office.
